## PROFESSIONAL EXPERIENCE

### Personal Financial Strategy Consultant

Fides Financial by Goque Group

Jan 2026 – Present Bogotá, Colombia

- Conduct comprehensive financial and wealth diagnostics for individuals and families, assessing risk exposure, liquidity needs, debt levels, and short-, medium-, and long-term goals.
- Profile and segment clients to design tailored protection, savings, and investment strategies aligned with their risk tolerance and time horizon.
- Structure holistic wealth proposals integrating health, life, savings, and investment solutions through a consultative approach.
- Provide long-term support in the execution, monitoring, and adjustment of plans focused on retirement, education, wealth building, and legacy.
- Manage client relationships and structure solutions in partnership with international allies including Dominion, Investors Trust, BMI, Redbridge, and VUMI.
- Oversee commercial pipeline management and continuous improvement of client engagement and conversion processes.
- Deliver financial education and conduct periodic reviews to ensure clarity, alignment, and continuity within each client's wealth plan.

### Equity Trading Intern

Credicorp Capital

Jul 2024 – Jul 2025 Bogotá, Colombia

- Managed equity and derivatives operations, executing transactions and monitoring markets in real time.

- Performed quantitative portfolio analysis and identified investment opportunities through Python and Excel modeling; developed and backtested trading strategies.
- Verified value dates, amounts, and destination accounts; performed reconciliations with back-office teams.
- Coordinated with Risk and Accounting departments for reporting and validations; escalated and remediated operational incidents.
- Implemented controls and automation workflows that reduced rework and improved data quality.
- Delivered presentations to issuers within liquidity-maker programs and maintained relationships with equity and ETF issuers.
- Built Python scripts and templates to improve report turnaround times, data quality, and process automation.

### Co-founder & CEO

Financia tu Pyme S.A.S

*Nov 2022 – Jan 2024 Bogotá, Colombia*

- Led financial modeling and planning for a FinTech startup, including market strategy development and financial service structuring.
- Directed a multidisciplinary team in the implementation of FinTech solutions.
- Participated in business incubation events (CEIS, CCB) and accelerator programs.
- Managed client relationships and delivered value propositions, successfully onboarding the company's first clients.

### Co-founder

Café Cristetto (@cafecristetto)

*Jul 2022 – Present Bogotá, Colombia*

- Designed the business model and operations plan; managed supplier relationships and cost controls.
- Oversaw financial management including projections, cash flow, and business planning.
- Built brand presence across digital channels and coordinated participation in in-person events.
