PROFESSIONAL PROFILE

International Business Administrator with a Finance track and a minor in FinTech. Experience across capital markets, financial analysis, wealth planning, and company building. I combine financial judgment, Python automation, and product thinking to connect finance, markets, technology, and entrepreneurship.

CORE SKILLS

Financial analysis	Modeling, wealth diagnostics, and decision support
Financial markets	Equities, derivatives, Bloomberg, and operations control
Financial planning	Protection, savings, investments, and risk profiling
Business strategy	Business models, product, operations, and growth
Entrepreneurship	Venture building, leadership, and ecosystem development

PROFESSIONAL EXPERIENCE

Personal Financial Strategy Consultant

Fides Financial by Goque Group

Jan 2026 - Present | Bogotá, Colombia

- Conduct comprehensive wealth diagnostics for individuals and families, covering liquidity, debt, risk exposure, and goals.
- Profile clients and structure tailored protection, savings, and investment strategies aligned with risk tolerance and time horizon.
- Design proposals with international partners and support their long-term implementation, monitoring, and adjustment.
- Manage client relationships, commercial pipeline, and financial education to improve clarity, continuity, and conversion.

Equity Trading Intern

Credicorp Capital

Jul 2024 - Jul 2025 | Bogotá, Colombia

- Supported equity and derivatives operations, real-time market monitoring, and relationships with issuers and ETF providers.
- Analyzed portfolios and investment opportunities with Python and Excel models; developed and backtested trading strategies.
- Verified value dates, amounts, and accounts; reconciled transactions and coordinated validation with Risk, Treasury, and back office.
- Implemented controls, templates, and automation workflows that reduced rework and improved data quality.

Co-founder and CEO

Financia tu Pyme S.A.S.

Nov 2022 - Jan 2024 | Bogotá, Colombia

- Led financial modeling, commercial strategy, and service design for a FinTech startup.
- Managed a multidisciplinary team, joined incubation programs, and acquired the company's first clients.

Co-founder

Cristetto - Coffee | Hospitality | Technology

Jul 2022 - Present | Bogotá, Colombia

- Shape Cristetto's strategy as a holding company and venture brand built around coffee, hospitality, and technology.
- Contribute to business-model design, financial planning, operations, partnerships, and brand architecture.
- Develop the ecosystem: Café Cristetto welcomes, Rist operates, Club Cristetto connects, and Cris AI understands.
- Connect hands-on hospitality operations with digital products, automation, and artificial intelligence.

PROJECTS AND ECOSYSTEM

Finanzas con Esco: Content and tools that connect finance and markets with real-world decisions.

Cristetto portfolio: Café Cristetto, Rist, Club Cristetto, and Cris AI connected by one operator-led hospitality thesis.
