PROFILE

International Business Administrator with a Finance track and a minor in FinTech. Experience across equities and derivatives, quantitative analysis, wealth planning, and company building. I turn financial and operational information into decisions, controls, and automation using Python and Excel.

FINANCE AND CAPITAL MARKETS EXPERIENCE

Personal Financial Strategy Consultant

Jan 2026 - Present | Bogotá

Fides Financial by Goque Group

- Conduct wealth diagnostics and client profiling to structure tailored protection, savings, and investment strategies.
- Manage client relationships, commercial pipeline, and periodic plan reviews with international financial partners.

Equity Trading Intern

Jul 2024 - Jul 2025 | Bogotá

Credicorp Capital

- Managed equity and derivatives operations and reconciliations, coordinating validations with Risk, Treasury, Accounting, and back office.
- Analyzed portfolios and opportunities with Python, Excel, and Bloomberg; developed and backtested trading strategies.
- Automated reports and operational controls, reducing rework and improving data quality and reporting timeliness.

ENTREPRENEURSHIP AND LEADERSHIP

Co-founder

Jul 2022 - Present | Bogotá

Cristetto - Coffee | Hospitality | Technology

- Shape portfolio strategy, business models, financial planning, and partnerships for a coffee, hospitality, and technology ecosystem.
- Develop Café Cristetto, Rist, Club Cristetto, and Cris AI from real operational needs.

Co-founder and CEO

Nov 2022 - Jan 2024 | Bogotá

Financia tu Pyme S.A.S.

- Led financial modeling, commercial strategy, and a multidisciplinary team; acquired the FinTech startup's first clients.
